## Tiffin Tomorrow's Lamp Post Restoration

As you know, Tiffin Tomorrow is in the process of refurbishing the Downtown Tiffin lamp posts. The restoration of the lamp posts is part of an ongoing effort to make Downtown Tiffin more inviting; this is being made possible through our Tiffin Tomorrow Lamp Post Restoration

and Banner Campaign for Downtown Tiffin. With the help from Crosswaeh, the lamp posts and hitching posts on South Washington Street have been repainted; Crosswaeh provided volunteer painters for this project. Tiffin Tomorrow has added flower baskets to some of these lamp posts (see right) and plans to add banners to the other lamp posts by the first of July. Tiffin Tomorrow would like to thank everyone who has/is helping with this project – together; we can make Downtown Tiffin more beautiful and inviting!
